

Activities of College Union -24-25

College union mainly focuses on the welfare of the students' community of the college. Union makes representations on different issues faced by the students and try to resolve it. It coordinates the sports, arts and cultural activities in the college. College Union also contributes to organize and conduct the seminars, and other academic programs. Union contributes at its level best for the successful organization of Sastrasadas and Parikshit International lecture series which are the unique programs of the college. Union organizes campaigning against the drug abuse and other social evils. It promotes the students' participation in different competitions at university level.
